ROMANE BOUVEROT

UI ARTIST

As a generalist game artist profile, I had the opportunity to specialize in mobile UI for three years while working on Garden of Words. Passionate about this field, I am now looking for new challenges to take upon and eager to help bring success to new games!

PROFESSIONAL EXPERIENCES:

Today
2019

UI ARTIST CDI

IsCool Entertainment - 3 years

Garden of Words - Iscool historic game with more than 40 millions downloads. Improvement of the existing UI of the game, graphic enhancement: new backgrounds, pop-ups improvement, new animations and FX

Garden of Words (2022 Edition) - New version of the successful game. Creation of the artistic direction and UI in teamwork with the Senior artist, backgrounds illustrations, logo

Bouquet of Words - Creation of the artistic direction and UI in teamwork with Thomas Bourgeois, backgrounds illustrations, logo, iconography...

WordSearch 2 - Creation of the artistic direction and UI, animations and FX

Idle Concert - Graphical creation of the in-game shop

2019

INTEGRATOR INTERNSHIP

VoR Immobilier - 6 months
